

# EVERY BREATH YOU TAKE

## A TRIBUTE TO THE POLICE

**Every Breath You Take - A Tribute To The Police** combines the studio hits and fan favourites of The Police with their energetic live musicianship into a show tailored for your venue or event.

The show features **Geoff Hooton** (lead vocals and bass), **Paul Kerin** (guitar and vocals) and **Geoff Green** (drums and percussion). The band members have had years of live experience throughout Australia and have also played or play in bands such as George and The Australian Eagles Show. They are also huge fans of The Police themselves and have spent considerable time honing the skills required to perform note-for-note versions of the songs of such an iconic and much-loved band.

The show's song lists draw from The Police's five albums and features iconic songs such as Message In A Bottle, Roxanne, Walking On The Moon and Every Breath You Take.

The band use the signature instruments of Sting, Andy Summers and Stewart Copeland and balance the studio versions of the hits with The Police's amazing live musicianship from shows right throughout their career, including their early punk inspired days to their stadium reunion tour.

**Every Breath You Take - A Tribute To The Police** is available in short or long formats for a variety of venue or event options.

A 2 hour 'theatre style' show is also available featuring added hits from Sting's solo career.
